

The Lac qui Parle County Fair is the weekend after Labor Day. The SWCD has a permanent booth in the Wildlife Building.

Photos of local examples illustrate the District's mission - how we help people access services or program funding.

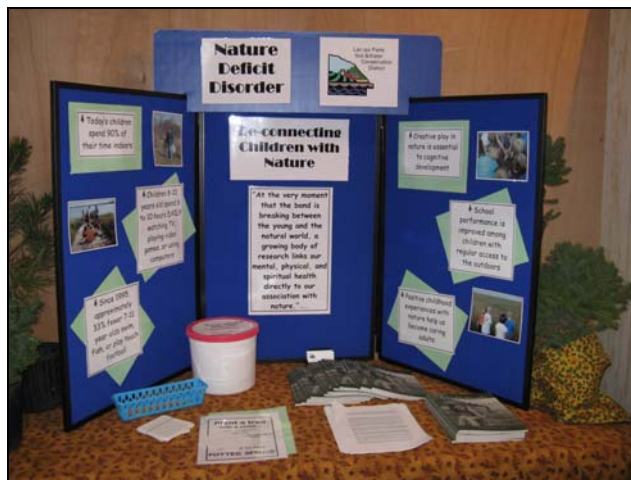

5th & 6th grade poster contest entries were used to illustrate ways best management practices protect “Community Waters”, the contest theme, and program assistance available through the conservation office to implement those practices.

Poster and coloring contest entries illustrating *Our Soil, a Layer of Life* accompanied soil information and soil surveys.

Do You Know Us? Supervisors, staff, our programs and activities

The value of children experiencing the outdoors, ideas for families, and ways the SWCD helps *Reconnect Children with Nature*
