By placing this order, I understand these trees are to be used for urban and rural conservation purposes, including windbreaks, restoration, erosion control, and food and cover for wildlife. These trees cannot be resold.

Tree orders will be available for pickup in late April, 2012. Letters will be sent earlier in April, announcing pickup dates, times and location.

Because of the perishable nature of trees and shrubs, the SWCD is not responsible for their condition after pickup by customers, or if picked up after scheduled date.

Please remit total due with order if not in a program. Please include sales tax.

ALL Program trees must be planted by May 31 for the year ordered.

Make checks payable to :

122 8th Ave S #1
Madison, MN  56256

If you have any questions about ordering or what species are recommended for planting purposes, please contact the Lac qui Parle Soil and Water Conservation District office, and ask for the District Technician.

Planting cost for program trees are:
$ .50  bareroot
$ .80  potted
Minimum charge of $100.00 per site

The Lac qui Parle Soil and Water Conservation District guarantee that the trees planted by the District Technician are alive and will grow. Trees that fail to take hold will be replaced at half price the following year. We cannot guarantee that trees will survive drought, rodent or insect damage, winter kill, mechanical or chemical destruction, or improper planting. Trees planted in sod will not be guaranteed. The District guarantee applies only to trees planted by the District Technician.
