- Wild Fruit of Minnesota
- Lac qui Parle County Native

Trees are to be used for urban and rural conservation purposes, including windbreaks, restoration, erosion control, and food and cover for wildlife. These trees cannot be resold.

Additional species/sizes available upon request.

Letters will be sent earlier in April, announcing pickup. Because of the perishable nature of trees and shrubs, the SWCD is not responsible for their condition after pickup by customers, or if picked up after scheduled date.

Down Payment: A minimum 25% down-payment is required.

Please include sales tax.

*All deciduous tree and shrub bareroot stock are 18"-24" unless otherwise specified.

The Lac qui Parle Soil and Water Conservation District guarantees that the trees planted by the District Technician are alive and will grow. Trees that fail to take hold will be replaced at cost the following year. We cannot guarantee that trees will survive drought, rodent or insect damage, winter kill, mechanical or chemical destruction, or improper planting. Trees planted in sod will not be guaranteed.

The District guarantee applies only to trees planted by the SWCD staff.
