Items are to be used for urban and rural conservation purposes, including windbreaks, restoration, erosion control, and food and cover for wildlife. Items cannot be resold.

Additional species/sizes available upon request.

All bareroots are sold in bundles of 25. Large bareroots are bundles of 5-10.

Notice will be sent announcing pickup schedule.
Because of the perishable nature of trees and shrubs, the SWCD is not responsible for their condition after pickup by customers, or if picked up after scheduled date.

100% down-payment is required on the trees & shrubs.

Minimum charge of $200.00 per site for fabric installation

All orders must add sales tax. No tax exemptions.

All credit card payment have an added processing fee.
Cash or Checks payable to LqP SWCD.

Notes: _____

_____

_____

_____

By Signing below you agree to the following:

Must pay for trees in full.

There is no guarentee of growth.

Do not spray ANYTHING on new trees/shrubs.

You must water newly planted items.

Ground must be ready for planting

Communicate with office on planting issues

The Lac qui Parle Soil and Water Conservation District makes no guarantee for item survival.
Natives that fail to take hold after planted by District Technicans
can be repurchased at 50% retail the following year.
No repurchase discount on non-natives or cultivars.
First year average mortality is 8% on containers and 13% on Bareroot.
Full establishment can take up to 5 years. Per Science Direct.
